Using Agency MAA Maryland Aviation Administration			Contractor Name, City State	Contract Identifier & Project Title MAA-SV-23-005 Aviation Fuel Supplier for Martin State (MTN) Airports	
Description/Remarks (Include reasons for contract modifications, if applicable, and indicate if extension or renewal option) This project was for Aviation Fuel Supplier for MTN Airports. On March 18, 2022, MDOT MAA advertised the project on eMMA. On October 7, 2021, MDOT MAA received three proposals. After reviewing the proposals and before contract award, the MDOT MAA determined that rejecting all proposals and cancelling the procurement is in the State’s best interest as the proposed amendments are of such magnitude that a new solicitation is desirable. Therefore, in accordance with COMAR 21.06.02.02 (C) all proposals were rejected, and the procurement cancelled. The MDOT MAA is in the process of revising the solicitation for advertisement.

Using Agency MTA Maryland Transit Administration			Contractor Name, City State N/A	Contract Identifier & Project Title MOL-22-016-E On-Demand Paratransit Services (Emergency)	
Description/Remarks (Include reasons for contract modifications, if applicable, and indicate if extension or renewal option) MDOT MTA Mobility Division requested a contract be put into place to secure on-demand paratransit services from Transportation Network Companies (TNCs). Although these contracts would have allowed for more ridership options, it was determined State Transportation Article 7-102.1 (2) requirement for fingerprinting drivers precluded TNCs from providing this service. A proposed Senate Bill (SB-625) would have removed the required finger printing portion of the background check; however, it did not pass. Without this change, it was not possible to proceed with this solicitation. The solicitation was cancelled in compliance with COMAR 21.06.02.02C(1)(a), all bids can be rejected, and a procurement can be cancelled when there is an absence of continued need for the procurement.
